

MODEL BR 1180

BURN-RITE'S BR 1180 is an incinerator specifically designed to suit the needs of the livestock farmer. This compact machine was designed due to the increased demand from these farmers for on site waste incineration.

The **BR RANGE** has a number of common features:
 Virtually Smoke and odour free.
 Rapid warm up to operating temperature.
 Simple to use.
 Compliance with ABPR 1069/2009.

Typical users are:
 Poultry Units
 Dairy Units
 Pig Farms
 Sheep Farms
 Pet Crematorium

2 options are available to suit every application of
