

## MODEL BR P 220

**BURN-RITE'S BRP 220** is an incinerator specifically designed to suit the need to incinerate waste at the point of source. This compact machine was designed due to the increased demand for hygienic on site medical waste incineration.

The **BR P RANGE** has a number of common features:  
Virtually smoke and odour free.  
Rapid warm up to operating temperature.  
Simple to use.
